ACKNOWLEDGEMENTS

The author readily acknowledges that he alone is responsible for blemishes in this book. But his interest in the subject of N.T. eschatology he owes to his esteemed teacher, Revd. C. E. B. Cranfield, M.A., Senior Lecturer in Theology in the University of Durham, for whose constant advice and friendship he is ever grateful. He wishes to thank his wife for her patient encouragement and help throughout; and his brother, Revd. C. G. Moore, M.A., Rector of Stone, for his forbearance in allowing his Curate time to complete this study. He regrets that the important work by Prof. G. E. Ladd, *Jesus and the Kingdom. The Eschatology of Realism*, S.P.C.K., 1966, came to his notice too late for reference to be made to it in this book.
